 GVWR: 14,000 - 16,000 lbs.	 Load Capacity: 10,050 - 11,750 lbs.	 Dump Sides Height: 19"	

Save time and increase productivity on the job. The Fold-Down Sides allow for quick and efficient loading and unloading of pallets and cargo on your dump trailer, making transporting materials of various sizes and shapes easier.

FOLD-DOWN SIDES

Our UniWall Steel Technology uses form-rolled steel to add structural integrity, reduce corrosion-vulnerable seams, and lower the trailer weight to increase load capacity.

UNIWALL STEEL TECHNOLOGY

The 2-Way Barn Door Gate provides maximum load dumping flexibility, so you can better control the material released from the trailer. Making it easier to access hard-to-reach areas and ensuring efficient job completion.

2-WAY BARN DOOR GATE (OPTIONAL)

The Extra Wide Dump box offers more surface area than other dump trailers, making it ideal for accommodating pallets and providing increased versatility for your hauling needs.

EXTRA WIDE DUMP BOX
