The Self-Contained Hydraulic Unit provides reliable power for your dump trailer, while the Front-Locking Toolbox offers secure storage for your equipment.

SELF-CONTAINED HYDRAULIC UNIT & FRONT-LOCKING TOOLBOX

The Diamond Plate Fenders are built to last, providing excellent strength and durability against heavy loads, harsh weather, and rough terrain.

DIAMOND PLATE FENDERS

Enhance your trailer's versatility with our optional 2-Way Gate System, which combines the functionality of a barn door and spreader. This feature allows for maximum load dumping flexibility.

2-WAY GATE SYSTEM (OPTIONAL)

With the Demco EZ Latch Coupler's easy and secure design, you won't have to fumble with complicated locking mechanisms or struggle to connect your trailer to your vehicle. Just drop and go!
