Equipped with standard hydraulic jack, hitching and unhitching from your trailer is as simple as pushing a button.

**HYDRAULIC JACK**

The Monster-Sized Toolbox holds the battery and hydraulic pump while also providing an ample amount of storage space for tools, straps, and chains. Plus, it's lockable and features a heavy-duty latch.

**MONSTER-SIZED TOOLBOX**

The Spring-Loaded Swing Arm Tarp can swiftly secure even bulky loads, ensuring your materials are covered during transit. This tarp system is designed for ease, allowing a single individual to deploy it quickly.

**SWING ARM TARP**

The Scissor-Lift Hydraulic System provides efficient lifting capabilities and a stable lifting platform with power-up, power-down, and gravity-down functionality for quick dump cycles.

**SCISSOR LIFT WITH POWERFUL CYLINDER**

**PJ TRAILERS**
